

A photograph of two young people, a woman and a man, wearing safety glasses and working together on a wooden structure. The woman is wearing a yellow t-shirt with a "DEWALT" logo and is using a yellow and black DeWalt power drill to drill into a piece of wood. The man is wearing a blue t-shirt and is holding the wood steady. They are outdoors, and there are stacks of lumber in the background.

2024 IMPACT REPORT

PROGRAM NUMBERS

The Baltimore Community ToolBank serves community-based organizations by providing tools, equipment & expertise to empower their most ambitious goals.

What is the most impactful aspect of the ToolBank?

"Access to a large amount of tools for our volunteer force! We have some tools of our own, but often find that we need 30+ of one type of tool to accommodate our volunteers."

-2023 Member Impact Study

\$2.1M

RETAIL VALUE OF TOOLS LOANED

TOTAL NUMBER OF ORDERS

27,596

NUMBER OF VOLUNTEERS

303

MEMBER AGENCY'S SERVED

A man wearing a maroon hoodie, dark blue pants, a grey baseball cap with an orange logo, and orange gloves is using a blue-handled shovel to dig in the soil. He is standing next to a chain-link fence. In the background, there are concrete steps and some green plants.

VOLUNTEERS

1,805

Without volunteers we would not be able to ensure our tools are Clean, Sharp, and Ready. In 2024 these volunteers helped with everything from matching gloves to repairing ice chests and from testing extension cords to maintaining wheelbarrows. As a small – but mighty – team we greatly appreciate our volunteers, and welcome interested groups.

LETTER FROM THE DIRECTOR

Dear ToolBank Supporters,

2024 was a year of meaningful impact and transition for the Baltimore Community ToolBank. After more than a decade of leadership, we bid a heartfelt farewell to our Executive Director Noah Smock, whose vision and commitment helped shape the ToolBank into the essential resource it is today. We're proud to share that Noah will continue serving the ToolBank network as Director of Resource Development with ToolBank USA—continuing to support us, among others.

Thanks to the dedication of our incredible team—Rachel, Marcus, and Flash—operations remained strong throughout this leadership transition as you can see in our metrics. I'm honored to introduce myself as the new Executive Director. My journey with the ToolBank began in 2013 as a volunteer at Hammers & Ales (mark your calendars for October 11!), and I've been a proud member and partner ever since. I'm excited to lead an organization I deeply believe in and to grow our partnerships with the communities we support, supply, and serve.

As always, our warehouse door is open—just make an appointment before you swing by.

Here's to another impactful year together!

Elliot Weidow
Executive Director
Baltimore Community ToolBank
